

MAXPREPS Spirit Challenge

*The MaxPreps Spirit Challenge is back for its 3rd consecutive year!
MaxPreps is awarding \$5,000 to the school with the most spirit.
Winning has never been so easy... it involves two simple steps:*

Part 1 - Show Your School Spirit!

Upload a short video showcasing your school spirit - most videos are 2 to 4 minutes long (see the previous winning videos online). The video content is totally up to you: game highlights from any sport, cheer contests, school plays, marching bands, homecoming, rallies, etc... some of the best videos include the school staff members! **Videos must be submitted by February 15, 2010.**

Part 2 - Prove Your School Spirit!

Starting February 16, visit the Spirit Challenge microsite and **vote for your favorite video every day**. Encourage students, staff, parents, family, friends (ie: anyone) to vote for your school's video. The school video with the most votes wins \$5,000— it's that simple. **Voting ends April 15, 2010.**

Besides engaging your sports teams... include other groups on campus: Yearbook, Photography/Video classes, Student Council, Drama club, Cheer/Dance/Drill Teams, Band & Orchestra, Faculty & Staff... everybody should get involved!

Last year, California's Vista Murrieta High School found 5,000 reasons to get involved!
