### DISTRICT 10 AA WRESTLING RANKINGS

The following District 10 AA rankings were finalized Sunday, 2/9/14 by Dan Albaugh of Waterford, PA.

These are not projections – they are rankings. These rankings are purely subjective and are based upon the following criteria: 1) results of head-to-head competition; 2) results against mutual opponents; 3) quality of overall competition; 4) previous year's performance; and 5) personal observation. For a number of reasons, off-season and pre-season results rarely enter into the rankings equation. The rankings are designed solely for the fans' enjoyment and to promote interest in the sport of high school wrestling. With few exceptions, wrestlers are ranked at the lowest weight at which they have competed during the current season.
